EMA products and documentation

Information provided by EMA d.o.o. («EMA») is believed to be accurate and reliable. Any printed material or electronic media documentation are provided by EMA as a service to its customers and may be used for informational purposes only.

EMA assumes no responsibility for errors or omissions in these materials, nor for its use. EMA reserves the right to change specification at any time without notice.

These materials are provided “as is” without warranty of any kind, either expressed or implied, relating to sale and/or use of EMA products including liability or warranties relating to fitness for a particular purpose, consequential or incidental damages, merchantability, or infringement of any patent, copyright or other intellectual property right.

EMA further does not warrant the accuracy or completeness of the information, text, graphics or other items contained within these materials. EMA shall not be liable for any special, indirect, incidental, or consequential damages, including without limitation, lost revenues or lost profits, which may result from the use of these materials.

EMA products are not intended for use in medical, life-support equipment, or applications involving potential risk of death, personal

injury, or severe property damage in case of failure of the product.

Any material related to EMA products is copyrighted, all rights reserved (© 2008 EMA d.o.o., all rights reserved) and shall not to be reproduced in whole or part for any purpose without written permission from EMA .
