## **BLUETRAKER® LED LAURA DEKKER SAFELY TO HER FINAL POINT OF THE JOURNEY**

Slovenia - 31.1.2012 - Laura Dekker, a 14 year old professional solo sailor from Netherlands has finally reached the last point of her journey- **island of St. Maarten** on January 21 and had a safe and sound comeback. EMA has been tracking her whole trip and you can see her round the world route down below.

## **ABOUT EMA Group**

EMA Group ([www.bluetraker.com](http://www.bluetraker.com)) consists of three companies based in Central Europe and operating through a worldwide network of distributors. During the last 19 years, EMA has become the leading marine telematics and machine-to-machine (M2M) equipment manufacturer in Europe and wider.

This expansion led to a new range of solutions for intelligent transport systems and innovative maritime systems by introducing hybrid communication design for charter fleet tracking and fisheries vessel monitoring systems (VMS). The BlueTraker<sup>®</sup> range of products and systems offers global tracking, monitoring and surveillance of vessels of all sorts at low investment and for a modest air-time cost.
